

Merit Movers

Merit Movers is an experienced provider of quality moving solutions to commercial clients.

We realize the key to a successful commercial move is client-focused flexibility.

Merit Movers stresses the importance of quality management and equipment.

- Onsite project managers provide leadership and immediate response to your changing needs during your move.
- Our diversified fleet of late model trucks provides you with the appropriate vehicle for your move.
- Dollies and panel carts provide a safe and efficient transfer of your goods.
- Proper padding and labeling of all furniture and equipment ensures protection of all items.

Merit Movers offers a variety of specialized skills and equipment depending on your moving needs including:

- Modular office system disassembly and reassembly. (i.e., Herman Miller, Steelcase, etc)
- Sensitive electronic equipment transfer
- Weekend and off-hour services, reducing downtime
- Masonite floor covering protection at origin and destination
- Inventory labeling in accordance with a floor plan to ensure proper placement of all equipment and furniture at the new location
- Packing and crating services specifically suited for office moves
- Temperature controlled facility for short and long term storage
